Objectives

You should hire me because of my positive nature, the fact that I am a very ambitious person who wants to succeed, and because I am somebody you can train up and develop to be the person you need me to be. You should hire me because during my academic studies I always put in the time and the dedication needed to achieve my goals. This proves I am someone who can be relied upon to achieve difficult targets and complete tasks on time.

An Internship opportunity would be a great opportunity to learn relevant skills and knowledge and gain valuable experience.
